

The Library Technicians' and Assistants' Interest Group's Petition to Apply to become a Section of the British Columbia Library Association

To: The British Columbia Library Association

We, the undersigned, are members of the British Columbia Library Association of good standing.

We request to become a section of the British Columbia Library Association. This proposed section of the British Columbia Library Association shall be named the Library Technicians' and Assistants' Section referred to as LTAS.

LTAS shall serve library technicians library support staff, and other information paraprofessionals, and students and graduates of library and information technology diploma programs.

The purpose of LTAS will be to:

- To provide a forum for the exchange of ideas and concerns, among library technicians and library assistants.
- To represent the common interest of library technicians and library assistants
- To coordinate educational and networking activities for its members
- To utilize online networking tools to raise awareness of LTAS, and to update its members on the activities of LTAS
- To act as a liaison with relevant institutions and organizations on behalf of its membership.

We are requesting that this resolution be entered on the agenda of the annual general meeting in 2011 to be put to a vote.
